They can sell stuff on the promenade side by the IOWA, where the red cart is now. We can't have someone do it on the actual property of IOWA.

For sure, Dan ordered them, they should be locked. Let's get them away from Iowa asap.

Joe-

Can you lock up your ice cream cart tomorrow? We are confused on why this is stored in our yard at this point. I assume this is to sell ice cream on the waterfront promenade, not at the IOWA.

OK. Talk to the person at the tourist info cart and let them know that they need to lock it up and it is your understanding that they have keys in their office.

It is rented through pbid. It shouldn't be on our property.
